

## who are you?

A ROCK PAPER  
SCISSORS project with  
Drawing Room, led by  
Joy Yamusangie

*I like to draw self  
portraits using lines  
and lots of colour. I  
make my work about  
me and my life.*

For this project, you will be  
making art all about you! You will  
use lots of colour and different  
kinds of paper to draw on.

# hair

What does your hair look like?  
What does your hair feel like?

Use your pens, shapes and tape to make your face and show off your favorite hairstyle!

What lines can you make to look like your hair?

When you are finished, put your drawing back in the envelope and drop it off at school
