About us

The place to discover contemporary drawing.

Tannery Arts CIO is a charity comprising a public gallery, Drawing Room, and affordable studio provider, Tannery Arts studios.

The Gallery champions the unlimited potential of drawing to help us understand ourselves, each other and our world, through **exhibitions**, **learning projects** and a unique **library**.

Our newbuild premises at New Tannery Way is in the heart of Bermondsey, **just a 15-minute walk from London Bridge.**

As a charity, 90% of our income is self-generated, so all hires will support our activities, including our affordable studios, and Learning and Exhibition programmes.

Our spaces for hire include our flexible **Community Studio**, perfect for workshops and events – and our light-filled, double-height **Gallery**, available to hire between our own exhibitions.

Our expert **Events and Commercial Hires team** will work with you through every stage of your project, from planning to execution.

We are happy to arrange for a site visit to talk through your ideas.
