## DRAWING THE CROWDS

---

For the insider art deal of the century, or every two years at least, the Drawing Room 2013 Biennial Fundraiser (April 18–May 15, 2013) offers hundreds of original drawings by a huge range of contemporary artists. Previous contributors have included Jake and Dinos Chapman and Antony Gormley. Works start at £250. [drawingroom.org.uk](http://drawingroom.org.uk)
